4-H SHOWCASE DISPLAY
CATEGORIES - DESCRIPTIONS

The Displays for 4-H Showcase may be one of two types: 1) Informational/Educational; 2) Creative - "Store Window"

GENERAL REQUIREMENTS:

- *The central focus of the display should be an item sewn by the 4-H member - "on display", not modeled in the revue. The item does not have to be a garment, but could be something made for the member's home, a craft item, etc.
- *Complete the 4-H Clothing and Textiles Showcase Entry Form; indicate if you will need a mannequin. Bring all items needed to complete your area.
- *Attach a drawing of the article(s) to be displayed OR your envelope. Also attach a sample(s) of your fabric(s) and/or yarn to the blocks below and indicate in the small box what article is made from each fabric/yarn.
- *Give your display a title and have a poster or presentation board.
- *Each participant will be interviewed by the judges.

INFORMATIONAL/EDUCATIONAL DISPLAY

- *The purpose of this type of display is to inform/educate the viewer.
- * The following must be included:
 1. Plan - what do you plan to show in your display? e.g. "I plan to present the stages of development in ski clothing.
 2. Process - what steps did you take in preparing your display? This should include research you have done, a brief outline of the project and any pictures you may have.
 3. Product - this is the item you have sewn.

CREATIVE - "STORE WINDOW" DISPLAY

- *The purpose of this display is to present an item sewn by the 4-H member.
- *This display should be set up to resemble a store window - the item and any "props" that compliment your item.
